

HMS Unicorn

200 Years of History Under One Roof

Talks from HMS Unicorn

Organise a speaker for your club or society

At HMS Unicorn we are always keen to come along to local clubs and societies to speak about the ship and provide talks on this fascinating vessel.

Whether you are part of a Rotary Club, Round Table, Women's Institute or any other similar organisation, we would love to hear from you and we'd be happy to come along and speak to your group.

What are our talks about?

Our talks focus on the 200 year history of HMS Unicorn, from her construction at Chatham Dockyard in the 1820s to her days as a training vessel in Dundee. We also speak about the modern life of the ship as a visitor attraction in "Scotland's Sunniest City" and the future conservation plans for the historic frigate.

An average talk will last around 30 to 40 minutes but can be tailored if requested.

When could we organise a talk?

Our team is available all year round and we can organise a talk for any time of day. Talks are usually free of charge but all donations to the charity are greatly appreciated.

Getting in touch

If you would like to book a talk for your club or society, then please get in touch with HMS Unicorn's Learning & Engagement Officer.

Either call on 01382 200900 or email the address finlay@hmsunicorn.org.uk.

The Unicorn Preservation Society is a Scottish registered charity (SC002771)

Victoria Dock, South Victoria Dock Road, Dundee, DD1 3BP
